Class Environmental Project Portfolio

Project Title: _____

School: _____

Teacher: _____ **Grade:** _____

Instructions:

This portfolio is designed to help your class document its environmental project and communicate to others what you did. Answer the following questions (insert extra pages if you need more room). Include photos, drawings, DVD's, and/or videos of your project along with letters, articles, and flyers etc. that were produced as part of the project (be as creative as you want).

If your class wishes to be honored at the Santa Barbara Earth Day Festival for their class project, completed portfolios must be mailed or delivered to Art From Scrap, 302 E. Cota St., Santa Barbara, CA 93101, by Thursday, April 12, 2007. If the project is partially completed or on-going, document what your class has done to date and complete as much of the portfolio as possible. If you have questions contact Tahara Ezrahti, AFS Education Coordinator at 884-0459 x 12 or enviroed@artfromscrap.org

1. Briefly describe the project. Include: what the class did, where the project took place, and whom it was for.

2. Why was this project chosen?

3. List the intended goal or goals of the project.

4. What was actually accomplished by the end of the project?

5. How does the project benefit the environment?

6. What are some things students learned while conducting this project?
