

GARDEN DETECTIVES CURRICULUM ORDER FORM

The Garden Detectives is a 125 pg. book on "using your powers of observation to solve the mystery of creating a healthy garden." The language is geared for kids 10 and up, but the concepts are applicable for younger children and adults. This straightforward guide unravels the mystery of "What is a healthy garden?" Planting strategies, plant selection, soil building, watering techniques, and beneficial plants and insects are explored through 20 hands-on activities to assess garden health and discover what plants really need to thrive. Garden Detectives also includes an extensive reference section on non-toxic, kid-friendly treatments for the top ten garden pests in coastal Southern California.

Such a Deal!

Garden Detectives books are available for \$14.95 each for 1-5 copies; \$13.95 each for 6-10 copies; \$12.95 each for 11-15 copies; \$11.95 each for 16-20 copies; \$10.95 each for 21-24 copies; and \$6.95 each for 25 or more copies. (*shipping and handling included*).
