Retro Muse

Art Opening and Reception at AFS Gallery

SANTA BARBARA:

Muse- noun: a source of inspiration; especially: a guiding genius.

On Friday, October 22, from 5:00-7:00 pm, the new exhibition *Retro Muse* opens at the AFS Gallery in downtown Santa Barbara. *Retro Muse* features the work of well known assemblage artists Susan Tibbles, Tony Askew, Dug Uyesaka, Ron Robertson, and Alver; all of whom have been selected as the "Assemblage Muse" at the Art From Scrap Annual Assemblage Art Show. The award is given to artists who exemplify the spirit of the event and the mission of Art From

Scrap. These five artists were honored for their contribution to assemblage art in Santa Barbara, and for inspiring artists to take up the medium.

We guarantee that these assemblage geniuses will a-muse, move, and inspire you. Don't miss this evening of creativity, art, and refreshments at the AFS Gallery, located upstairs from the Art From Scrap Reuse Store. *Retro Muse* is the AFS Gallery Finale Show for 2010 and will be shown from October 22- December 11, 2010.

About Art From Scrap: Art From Scrap is Santa Barbara's Environmental Education and Art Center. The AFS Gallery is located upstairs at Art From Scrap. Rotating shows hang throughout the year bringing together art lovers, collectors and local artists.
